- The growth in the program last month, 6,793 was significantly less than in the prior 9 months. A major reason was a decrease of 6,522 in KidsCare because we discontinued a large group of kids after exhaustive efforts to get families to respond to eligibility redetermination notices.
- The AHCCCS population as of 4/1/02 was 755,482. This figure does not include Premium Sharing of approximately 6,000, Health Care Group of approximately 11,800 or the SLMB/Qualified Individuals of 9,573, the total AHCCCS population would be approximately 783,000.
- Since March 1, 2001, just prior to the implementation of phase I of Proposition 204 implementation, our population has increased 199,449 or 36%.
- The population directly attributable to the increased income under Prop 204 is 68,872 or 34.5% of the growth since March 2001.
 - 10,420 SSI-MAO Expanded
 - 39,888 Sec. 1931/AHCCCS for Families with Children
 - 18,504 AHCCCS Care Expanded (Title XIX Waiver Population with income between 40% & 100%)
 - 60 Federal Emergency Services
- The major increase in the AHCCCS population from March 1st to April 1st were:
 - 5,753 in Sec. 1931/AHCCCS for Families and Children
